ABOUT MIFF

Founded in 1952 and now in its 72nd edition, the Melbourne International Film Festival (MIFF) is a highlight of Australia’s cultural calendar, with a long history of bringing Victorians the story of the world through unforgettable screen experiences. Held over 18 days in August and spanning events across metropolitan Melbourne and regional Victoria, MIFF is the largest film festival in the Southern Hemisphere and the world’s largest showcase of new Australian cinema.

MIFF returns in 2024 with the most anticipated titles from the world’s greatest festivals – from Cannes and Sundance to Rotterdam, Berlinale and beyond – and with its vibrant showcase of the local screen sector’s brightest stars. Presented alongside its feature film program are a suite of shorts, cutting-edge XR works, galas, special events, MIFF Talks, festival guests, the MIFF Awards and the Bright Horizons international film competition: one of the richest feature film prizes in the world. Alongside the metropolitan screening program, the festival presents MIFF Regional, MIFF Schools and a selection of titles on its streaming platform.

Alongside the public festival program, MIFF runs industry-focused and capacity-building programs: the co-financing fund Premiere Fund, the talent incubator program Accelerator Lab, the screen content co-production and financing market 37°South, and the Critics Campus program for emerging arts/film critics.

Our Vision: An enlightened, inclusive, engaged society through film.

Our Mission: To bring you the story of the world through curated and unforgettable screen experiences.

Core Values: Creativity, inspiration, integrity, independence.

Filmfest Limited is the parent company that trades as MIFF and MIFF Industry, and is a registered charity under the Australian Government’s Register of Cultural Organisations.
